IITM Project positions for M.Sc/M.Tech

Last Date of applying: 20 December 2019

Only two selected candidates from each Department/University will be considered for project position at IITM under this application. We may consider more than two candidates from same department if special requisition through HoD is made during the application. IITM will not be providing any accommodation for summer interns/M.Sc/M.Tech projects because of shortage of rooms.

Application does not guarantee a project position at IITM. The selection list will be published after the deadline.

Duration of work: 6 to 9 Months
